

# signature FACIALS

30, 50, 80 MINUTES IN DURATION

## CLASSIC REFRESHER FACIAL

A basic facial to exfoliate and moisturize the skin. Includes pore cleansing, toning, gentle granular exfoliation, facial massage and mask. A great maintenance treatment.

## STEAM & CLEAN

A cleansing treatment to clear the pores of impurities. Includes cleansing, toning, steam & extractions.

## ANTIOXIDANT C-FIRMING FACIAL

This advanced treatment delivers anti-aging and anti-inflammatory benefits. An excellent choice for combating the effects of sun damage and for irritated skin. Skin appears firmer, tighter and more supple.

## CUSTOM CORRECTIVE FACIAL

Treat yourself to your own custom-blended skin care cocktail. Our highly skilled aestheticians will create a personalized treatment to address all of your skin care needs. A combination of exfoliants, serums and masks will be selected just for you. May include a light peel or enzyme treatment.

## EUROPEAN FACIAL

A perfect beginning to beautiful skin. All products used will work together to hydrate, exfoliate and stabilize skin condition. A relaxing treatment designed for skin that has been neglected. Texture and tone will be soft, smooth and revitalized. All skin types.

## JUST FOR HIM

A relaxing, therapeutic treatment specifically geared toward male skin issues such as clogged pores, razor burn, ingrown hairs and sensitized skin. Appropriate home care will be suggested.

## TEEN FACIAL

An introduction to proper skin hygiene and home care of the skin for the adolescent. A beneficial treatment to decrease inflammation and prevent breakouts. A preventative therapy specifically designed for hormone-related teen blemishes and changes in skin.

# all about the EYES

15 MINUTES IN DURATION unless noted

## AGE-ERASE EYE TREATMENT

An intense treatment mask, infused with natural wine extracts, high density Phyto Collagen and emollients that help to restore skin and replenish lost collagen. It nourishes, tightens and revitalizes the delicate skin around the eyes to reduce puffiness & dark circles.

## THE EYES HAVE IT - 50 MIN

Rest your eyes & relax. This signature treatment is designed to give delicate skin of the eye area the much-needed attention it craves. Therapeutic lymphatic drainage combines with soothing elements from our European Facial and eye-specific products to effectively clarify and rehydrate the eye area. Combats puffiness, dark circles, wrinkles & fine lines.

## AQUA COLLAGEN EYE TREATMENT

A water-based eye treatment that refreshes and renews dehydrated skin around the eyes. Delicate skin is deeply hydrated, plumped and tightened.

*Please advise our aesthetician if you have any allergies or skin conditions prior to your treatment*

We use only the highest-quality ingredients to achieve the very best results for our Clients. In recommending our skin therapies we strive to accurately diagnose, address and correct your specific skin conditions and concerns. We provide a thorough skin-care analysis and send each Client home with a customized home-care prescription that will carry you through to your next appointment. Facials are recommended in a series to achieve maximum results. Pre-paid packages are available for all skin therapies...a great way to indulge and save on your favorites!

# revitalizing PEELS

## MICRODERMABRASION

A safe and controlled mechanical exfoliation utilizing natural enzymes and gentle crystals to resurface and refine the integrity and appearance of the skin. Effective in reducing the appearance of fine lines, wrinkles, scarring and large pores.

50 minutes | also sold in a series of 5  
Often used in conjunction with other treatments.
